As can be found in the country .

NO SECT IN HEAVEN.

Talking of sect till late one eve. Of the various doctrines the raints believe By the side of a dark ly flowing stream,

And a "Churchman" down to the river came . When I heard a strange voice call his name, lead father, stop when you crees this tide, You must leave your robes on the caber alde. but the aged father did not mind,

And his long gown floated out behind, down the stream his way he took, His pate hands classing a gilt-edged book. Partiound for Traven and when I'm there, I shall not want my book of Common Prayer. And though I put on a starry crown, t should feel quite lost without my gown."

and the consuld Pather seind in sain. A single step in that flood to gain. I saw him again on the otherst to. But his silk goven floated on the trate, And no one asked in the blissful aport

then he fixed his eve on the shining truck,

But his gown was beave, and build him back,

Wilether he belonged to "the Church" or not ben down the river a Quaker strayed, His dress of a weber has was made, Ir contand hat man to all of gray. I cannot go any other way."

hen he betteend his cost wraight up to his chin, And, straightly, solomn y waded in ; And his broad-brimmed hat he pulled down tight, Over his forehead us cold and white, But a strong wind energed away his hat,

A mount he ariently sighed overthat, An. then us he gozed to the farther shore The ca'tt slipped off and was seen no e or As he autere, Henven , his mir of g av then quest'v endling aw v. awar. And none of the angels spectioned his

About the width of his he sver's brim est come for Witte wish a bundle of Paalms Tied nicely up, in his aged sems, Ind Hymns assume, a very nice thing, That the people to Beaven " all squad" might at

flor I thought that he beaved an waxious aigh

As he end that the river ran broad and high And looked susprised, as one by one, The Pasime and Hymna in the wave west downand after him with his M 188. Come Wesley, the pattern of godfiness But he oried "Thearme! what shall I do I

The water has souked them through and through ! And there, on the siver or and wide, Away they went on the swotten tide, And the saint, notonished, passed through alone

Without his manuscripts up to the throne. hen gravely walking, two mints by name Down to the stream together came, but as they stopped at the ever's brink I saw one saint from the other shrint

prinkled or plunged, may I sak you friend, He w you obtained to life's great end ?" Thus with a few drops on my brow." Hot I have been dipped, as you'll see me now. And I really think it will limity do.

At I am "alose communion," to walk with you, But you go that way and I'll go this." Then straightway, plonging with all his might, Away to the left his friend to the right. part they went from this world of sin,

Hat at last together they eater in. And now where the river was relling on, A Presbyrerian Church went down. I women there seemed an innumerable throng

But the men I could count, as they passed along, and concerning the road they could never agree, The old ar the new way, which it could be, That both would lead to the river's brink ad a sound of normaring long and lond,

Came ever an from the moving eroud. You're in the old way, and I'm in the new. That is the false, and this is the time? Modest the sisters walked and meek.

What troubles she met with on the way, How she longed to was to the other side, Nor ferred or cross ofer the sare tiling tide, Voice agose from the hiethern there, "Let no one speak but the holy men! yor have you heard the words of Paul,

watched them lone in my entions dream. on just as I thought the two wave met. All he brethern were talking yet. And wouldtalk on, till the heaving tide Carried them over side by side

ide by side, for the way was one, The telliame journey was done, And Priest, and Quaker, and all whe died Came out alike on the other side.

And Press, and Garsher, and silvate diese.

Come of any and the pression of the first of the constraint of the constraint of the first of the constraint of the first of the constraint of the first of the constraint of the constraint of the first of the constraint of the constraint of the first of the constraint of the constraint
